

Name: _____

Date: _____

Estimate and Measure

Directions: Look at the object. Guess how many blocks long it is. Then, use your blocks to measure the real length.

Object	Estimate (My Guess)	Measure (Real Length)
 Pencil	<input type="text"/> blocks	<input type="text"/> blocks
 Crayon	<input type="text"/> blocks	<input type="text"/> blocks
 Caterpillar	<input type="text"/> blocks	<input type="text"/> blocks
 Key	<input type="text"/> blocks	<input type="text"/> blocks
 Spoon	<input type="text"/> blocks	<input type="text"/> blocks
 Glasses	<input type="text"/> blocks	<input type="text"/> blocks
