# TIME TASK CARDS

Look at the analog clock. Write the digital time in the box below.

A circular analog clock with a grey rim and white face. The hour hand is slightly past 12, and the minute hand points to 1.

Hour

A circular analog clock with a grey rim and white face. The hour hand is halfway between 12 and 1, and the minute hand points to 6.

Half Hour

A circular analog clock with a grey rim and white face. The hour hand is slightly past 12, and the minute hand points to 3.

Hour

A circular analog clock with a grey rim and white face. The hour hand is three-quarters of the way between 12 and 1, and the minute hand points to 9.

Half Hour

A circular analog clock with a grey rim and white face. The hour hand is one-quarter of the way between 12 and 1, and the minute hand points to 4.

Hour

A circular analog clock with a grey rim and white face. The hour hand is five-quarters of the way between 12 and 1, and the minute hand points to 10.

Half Hour

A circular analog clock with a grey rim and white face. The hour hand is one-fifth of the way between 12 and 1, and the minute hand points to 2.

Hour

A circular analog clock with a grey rim and white face. Both the hour and minute hands point to 12.

Half Hour
