# Sorting & Tally Marks

**Instructions:** Look at the mixed objects in the box below. Count how many of each item you see. Draw **tally marks** ( | | | | ) to show the count, then write the total number in the box.

| Object  | Tally Marks | Total Number |
|---|-------------|--------------|
|  |             | <div></div>  |
|  |             | <div></div>  |
|  |             | <div></div>  |
|  |             | <div></div>  |
