SCIENCE: PETS VS. WILD ANIMALS

1. Compare: Look at the differences.

Needs	 PET (Dog)	 WILD (Lion)
Home <i>Shelter</i>	 Lives in a house	 Lives in nature
Food <i>Eating</i>	 Humans feed them	 Finds own food
Water <i>Drinking</i>	 From a bowl	 From a river/lake

2. Circle the correct answer: Who takes care of them?

<div> A Cat (Pet) Needs help from:</div> <div><div> People</div><div> No One</div></div>	<div> An Eagle (Wild) Needs help from:</div> <div><div> People</div><div> No One</div></div>
