

Name: _____

Date: _____

SCIENCE: THE FOUR SEASONS

Read the story. Circle the picture that answers the question.

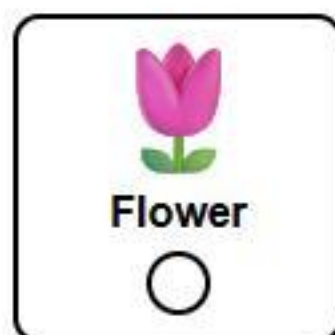

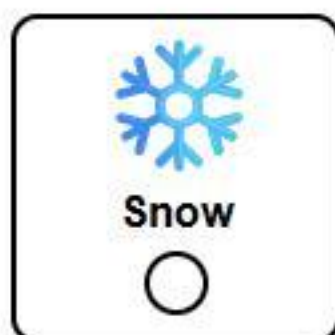

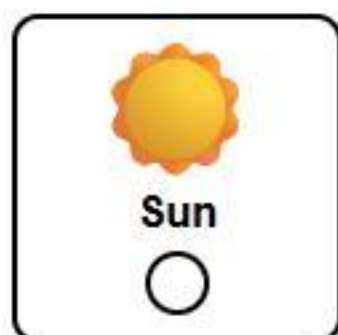

In **Winter**, it is very cold. We see snow. ❄️

In **Spring**, the rain falls. Flowers grow. 🌷

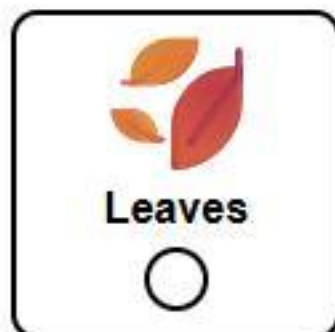

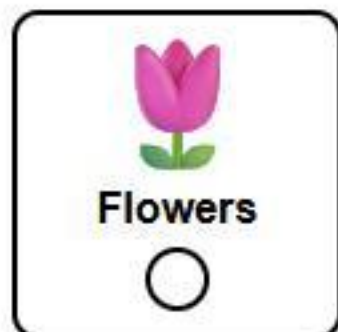

In **Summer**, the sun is hot. We swim. ☀️

In **Fall**, the leaves turn red and orange. 🍁

1. What do we see in Winter?

2. What grows in the Spring?

3. When is the sun hot?
