

SCIENCE WORKSHEET

STATES OF MATTER & MOLECULES

Name: _____

Date: _____

Guide: Look at how the tiny particles (molecules) are arranged in Solids, Liquids, and Gases.

		
SOLID Tightly Packed	LIQUID Loose & Flowing	GAS Moving Fast

Activity: Look at the object. Check the box that matches its structure.

 <div><input type="checkbox"/> Solid (Tight) <input type="checkbox"/> Liquid (Loose) <input type="checkbox"/> Gas (Fast)</div>	 <div><input type="checkbox"/> Solid (Tight) <input type="checkbox"/> Liquid (Loose) <input type="checkbox"/> Gas (Fast)</div>
