SINK OR FLOAT GRAPH

Count the items in the box below. Color one square in the graph for each item you count.

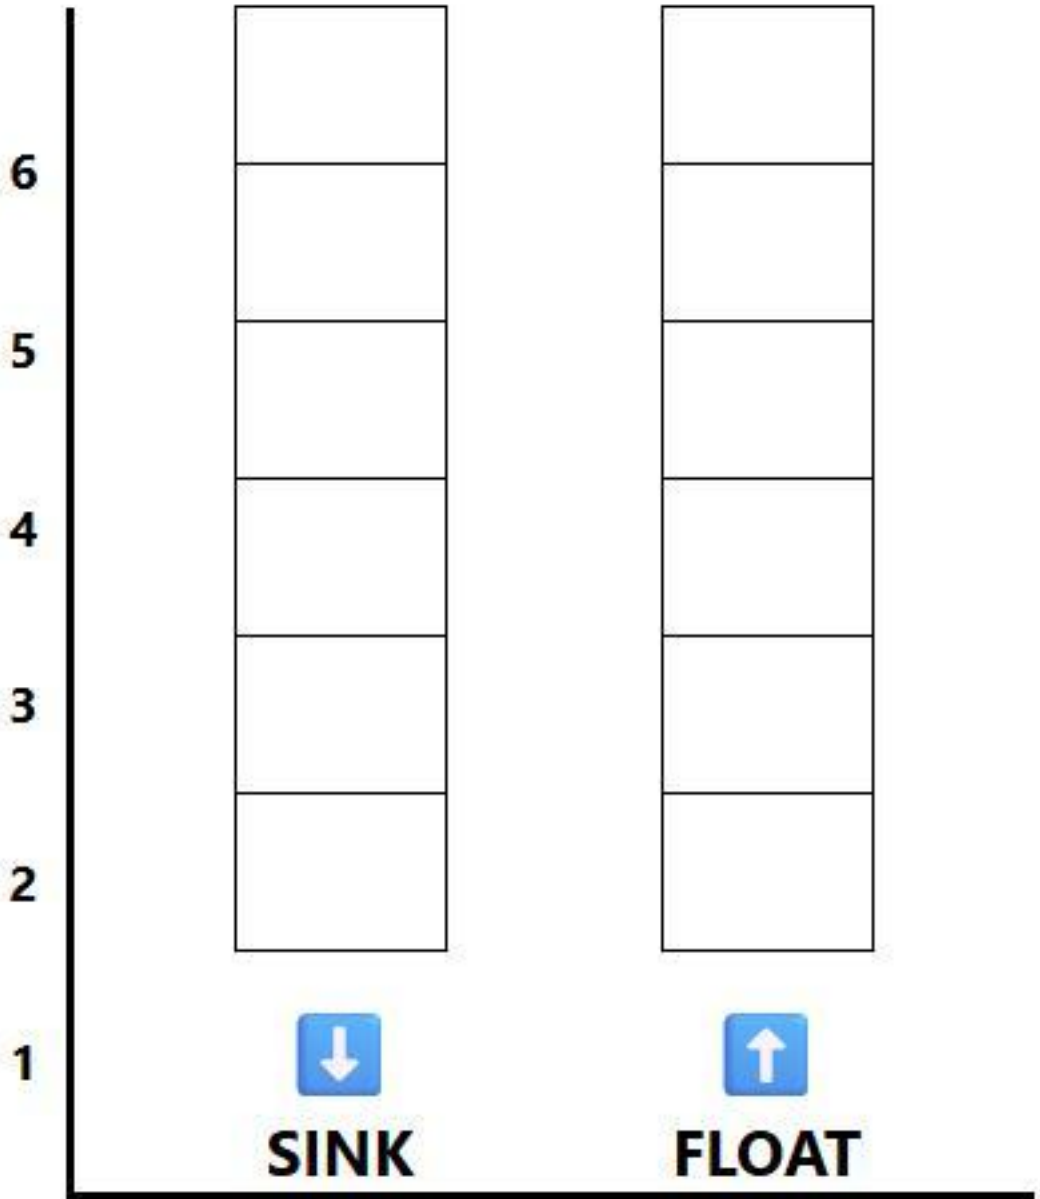

Results from our Experiment

Items that Sunk ↓

Items that Floated ↑

A bar graph with two columns. The left column is labeled 'SINK' with a downward arrow icon. The right column is labeled 'FLOAT' with an upward arrow icon. The y-axis is on the left, with numbers 1 through 6. Each column has six empty squares for counting items.

Category	Count
SINK	0
FLOAT	0
