2. DRAW YOUR FAVORITE OBJECT

Draw the object in the water. Did it stay on top or go to the bottom?

A blank coordinate grid with a dashed horizontal line labeled "Water Level" on the right side. The grid is defined by a solid vertical line on the left and a solid horizontal line at the top. The dashed line is positioned approximately one-third of the way down from the top. The label "Water Level" is located at the right end of the dashed line, accompanied by a small blue icon of a water drop.
