Date: _____

Magnetic Strength Comparison

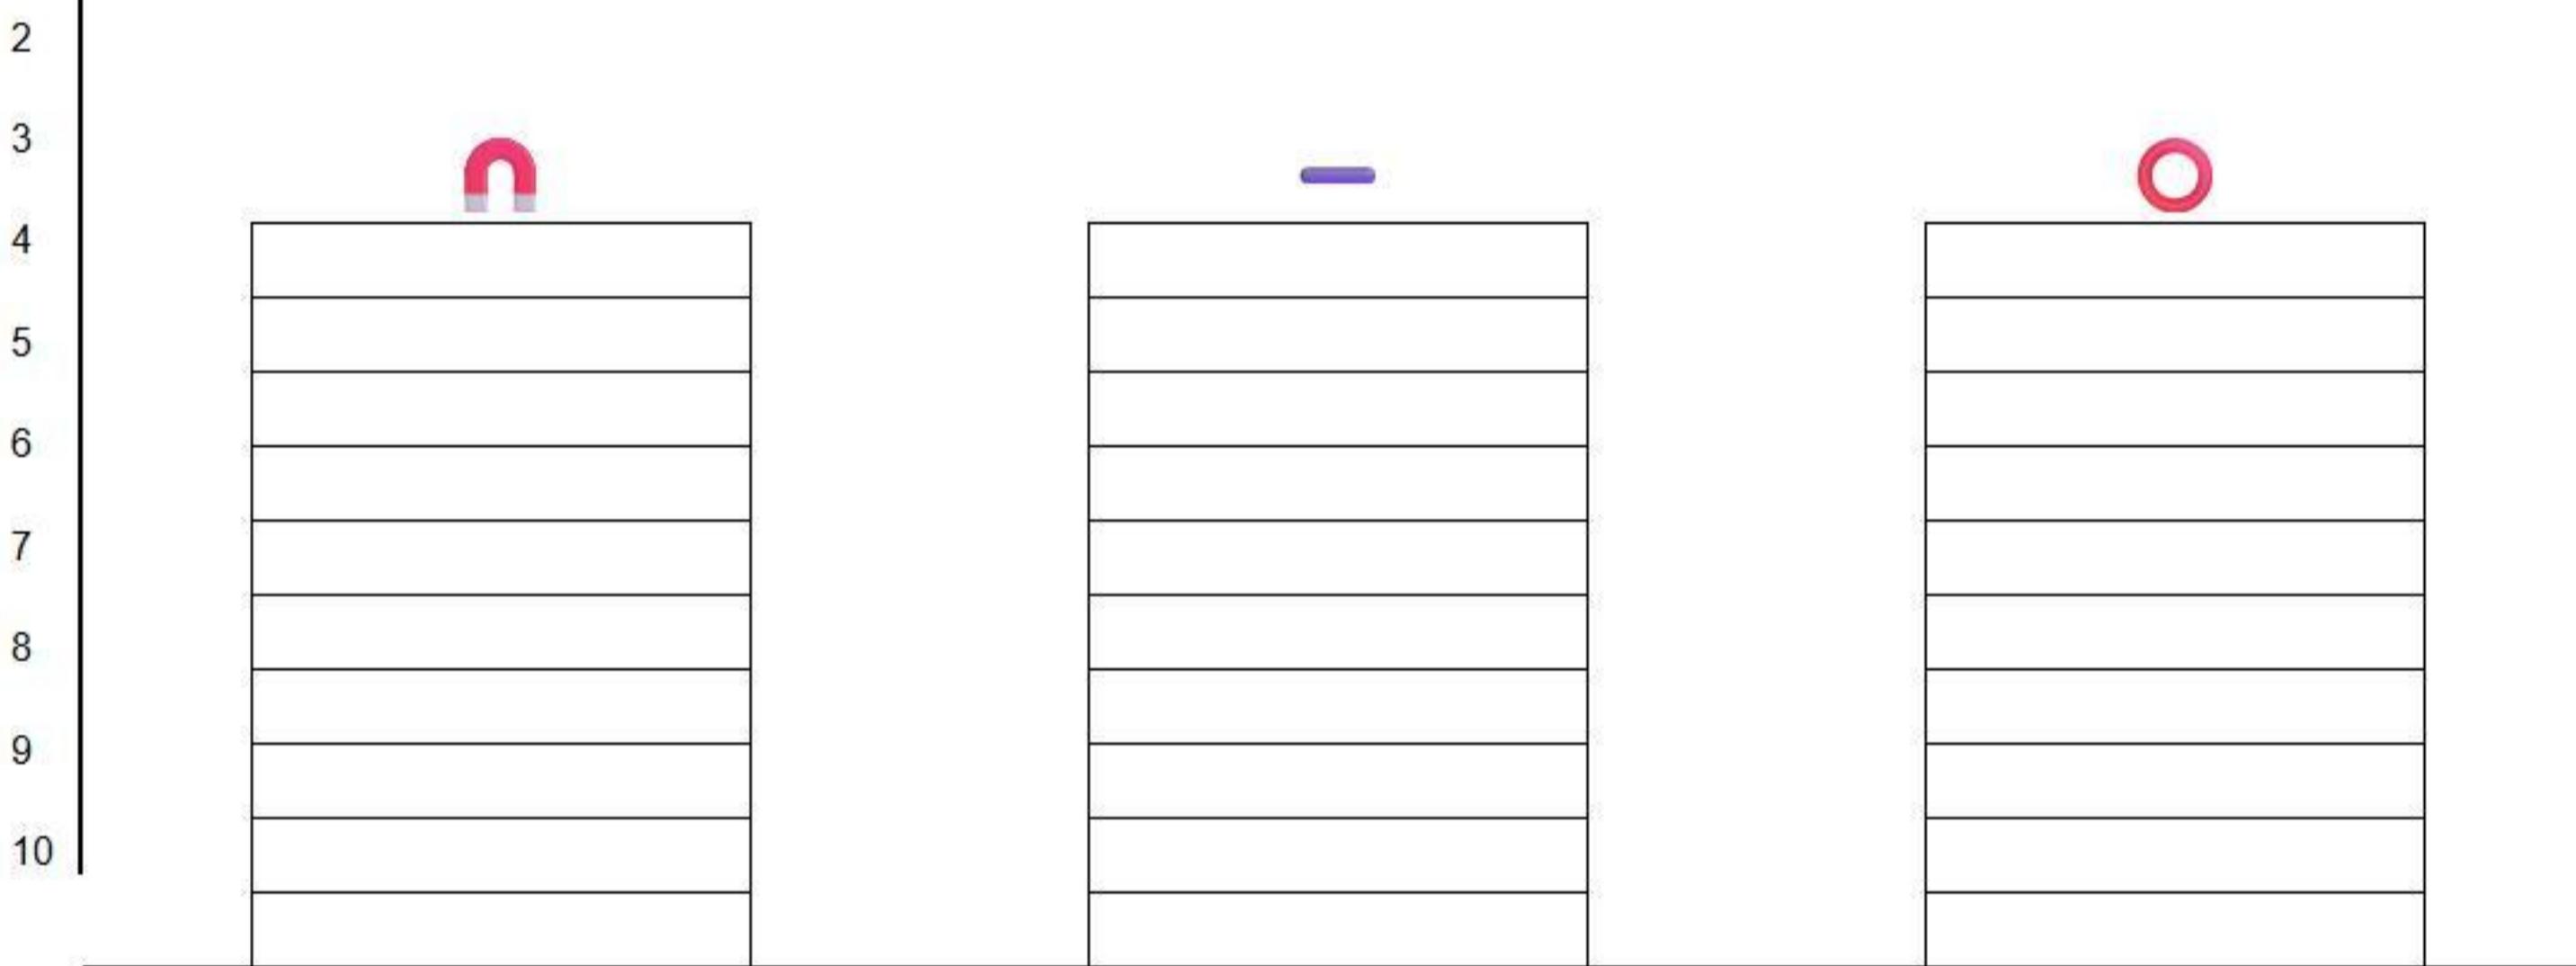

STEP 1: THE EXPERIMENT

Use your magnets to pick up paperclips  . Count how many paperclips each magnet can hold. Write the number in the box.

Magnet Type	Picture	How Many  ?
Horseshoe		<input type="text"/>
Bar Magnet		<input type="text"/>
Ring Magnet		<input type="text"/>

STEP 2: PICTURE GRAPH

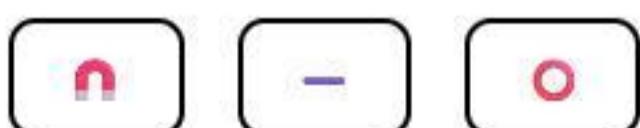

Color one box for every paperclip you counted above.

STEP 3: RESULTS

Circle the correct answer.

1. Which magnet was the **STRONGEST?** 

2. Which magnet was the **WEAKEST?**
