

PHONICS & MOTOR SKILLS

Name: _____
Date: _____

1. Trace the lines to practice your fine motor strokes.

Tracing practice lines for fine motor strokes. The first row contains vertical lines, diagonal lines, and horizontal lines. The second row contains parentheses, the letter 'C', and the letter 'O'.

2. Say the sound, then trace the letters.

Tracing practice for the letters C, O, S, and T. Each letter is shown with a corresponding illustration (cat, octopus, snake, tiger) and followed by several light gray versions for tracing.

3. Trace the patterns to connect the pictures.

Tracing patterns to connect pictures. The first pattern connects a bee to a sunflower. The second pattern connects a car to a house. The third pattern connects a cloud to a plant.
