## COLOR MIXING MAGIC

Look at the colors. Color the empty circle to show what happens when you mix them!

|                                                                                             |   |                                                                                                |   |                                                                                                 |
|---------------------------------------------------------------------------------------------|---|------------------------------------------------------------------------------------------------|---|-------------------------------------------------------------------------------------------------|
| <br>RED   | + | <br>YELLOW  | = | <br>ORANGE   |
| <br>BLUE | + | <br>YELLOW | = | <br>GREEN   |
| <br>RED | + | <br>BLUE  | = | <br>PURPLE |
| <br>RED | + | <br>WHITE | = | <br>PINK   |
