## LONG VOWEL TEAMS SORT

**Directions:** Cut out the pictures at the bottom. Glue them into the correct box matching the vowel sound.

| <b>LONG A</b><br>(AI, AY) | <b>LONG E</b><br>(EE, EA) | <b>LONG I</b><br>(IE, IGH) | <b>LONG O</b><br>(OA, OW) |
|---------------------------|---------------------------|----------------------------|---------------------------|
|                           |                           |                            |                           |

----- ✂ Cut along the dotted lines ✂ -----

|                                                                                                     |                                                                                                        |                                                                                                       |                                                                                                      |                                                                                                      |
